

United States Senate

WASHINGTON, DC 20510

May 23, 2025

The Honorable John Kennedy
Chair
Subcommittee on Energy and Water Development
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Patty Murray
Ranking Member
Subcommittee on Energy and Water Development
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair Kennedy and Ranking Member Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Energy and Water Development appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

- Sincerely,

Angela Alsobrooks
United States Senator

**Alsobrooks, Angela(D-MD) Energy and Water Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Canal Place Preservation and Development Authority	CPPDA intends to remove the Industrial Dam on the North Branch of the Potomac River. It will be removed to support co-benefits including improved river restoration, water quality, economic development and ecological improvement.	Alleghany County MD	\$7,856
Maryland Department of Natural Resources	Provide a coordinated, comprehensive master plan that advances the restoration and protection of the Chesapeake Bay.	Anne Arundel County MD	\$500
Maryland Department of Natural Resources	Funds will support the assessment of dredging needs for publicly accessible shallow-draft channels across 53 federally and state-maintained navigation channels.	Anne Arundel County MD	\$390
City of Cambridge	Construction of a new wet well, installation of upgraded pumps, and modifications to the existing infrastructure.	Dorchester County MD	\$2,500
City of Cambridge	To continue rehabilitation efforts of the Cambridge Creek Interceptor.	Dorchester County MD	\$2,000
City of Aberdeen	Replace aging sewer and water lines in Aberdeen, improving water infrastructure for 300 residential units.	Harford County MD	\$7,000
Interstate Commission on the Potomac River Basin	Ensure sustainable water and land uses, improve drinking water quality, and protect ecological health that will benefit the residents of the Potomac River Basin.	Montgomery County MD	\$650
Sustainably Empowering People Globally	Educate and empower people and install solar-powered devices in underserved neighborhoods.	Montgomery County MD	\$45
Easton Utilities Commission	One-million-gallon water tower to provide essential pressure regulation, fire flow capacity, redundancy, and emergency supply for the new UMMS Shore Regional Medical Center.	Talbot County MD	\$2,343
Easton Utilities Commission	Replaces and improves Easton, Maryland's over 30-year old water treatment plant, enhancing community resilience and water conservation.	Talbot County MD	\$9,564
Maryland Department of Natural Resources	Evaluate multiple issues impacting Worcester County, including flooding and storm damage, erosion of wetlands, nesting habitat, and the threat to public facilities; navigation difficulties in the federal channels; and environmental degradation.	Worcester County MD	\$500
