

United States Senate

WASHINGTON, DC 20510

April 13, 2026

The Honorable Katie Britt
Chair
Subcommittee on Homeland Security
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Chris Murphy
Ranking Member
Subcommittee on Homeland Security
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair Britt and Ranking Member Murphy,

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Homeland Security appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Angela Alsobrooks
United States Senator

**Alsobrooks, Angela(D-MD) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Annapolis	The Project will increase the operational and technical capabilities of the Annapolis Emergency Operations Center, backup Emergency Operations Center, and Joint Information Center.	Annapolis MD	\$619
Maryland Department of Emergency Management	Technology and facility improvements for the State Emergency Operations Center and Maryland Joint Operations Center.	Anne Arundel County MD	\$1,500
Maryland Department of Natural Resources (DNR)	Develop an Emergency Preparedness and Resilience strategy by mapping flood/fire risks, signposting evacuation routes into a safety network to protect residents and visitors.	Anne Arundel County MD	\$748
Board of Carroll County Commissioners	Funding will support installation of a full-building backup generator at the Carroll County Office Building, reducing the risk of operational failure during severe weather and extended power outages.	Carroll County MD	\$636
City of Frederick	Funds will be used to construct new stormwater infrastructure in Frederick's downtown area to eliminate 10-year flooding risk and prevent flood damage and risk to life and property.	City of Frederick MD	\$3,000
Howard County Government	Funds will be used to install one remotely deployed traffic arm barrier and design two more to block vehicles from entering Historic Ellicott City's Main Street during flash flooding.	Ellicott City MD	\$611
Town of Mount Airy	Funds will support construction of an Emergency Operations Center within Mount Airy's new Police Station.	Mt. Airy MD	\$3,000
Prince George's County Government	Funds will modernize the Emergency Operations Center by replacing aging systems and integrating communications, visualization, and interoperability technology.	Prince George's County MD	\$1,500
Queen Anne's County	Planning and design for a new Emergency Operations Center.	Queen Anne's County MD	\$187
Town of Rising Sun	Funds will be used to provide relocation assistance to residents of the Sun Valley Circle Mobile Home park impacted by severe flooding.	Rising Sun MD	\$1,600
